

Jonah

God said to Jonah "Go to Nineveh and tell the people there to say sorry for the wrong things they had done." Jonah disobeyed and instead went in the opposite direction to Joppa to get a boat to Tarshish. On the journey there was a terrible storm and Jonah realised that it was because he was disobeying God! He asked the sailors to throw him into the sea.

God arranged for a big fish (or whale) to swallow Jonah. While he was in the fish, Jonah prayed and said sorry to God. The fish spat Jonah out onto the beach!

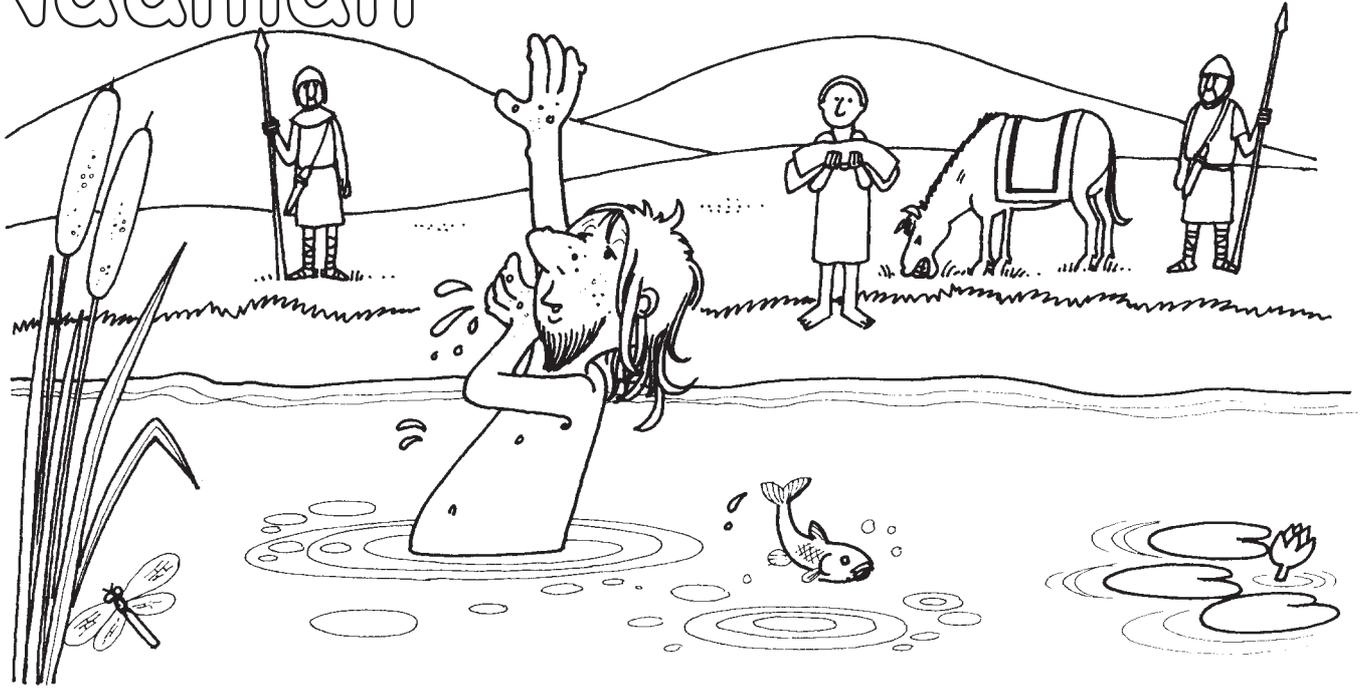

Jonah then went to Nineveh and told the people that they had done wrong. All the people including the King prayed and said sorry. God heard their prayers and forgave them.

What Jonah said

*I called to God from inside the fish.
I was in the middle of the sea
surrounded by waves and seaweed.
I felt so far from God, I thought I was
going to die.
But then I remembered God and
prayed to him. I said sorry to God.
My prayers went all the way to God in
heaven.
God heard my prayers and rescued
me.
I am so thankful to God for saving me.*

Tell the story of Moses and the Israelites walking through the Red Sea

How did Moses show his faith?

God saved the people

By faith the people passed through the Red Sea (Hebrews 11:29)

A Prayer

Lord Jesus

I am sorry for the things that I have done wrong and ask you to forgive me.

Thank you that you love me, know me and care about me.

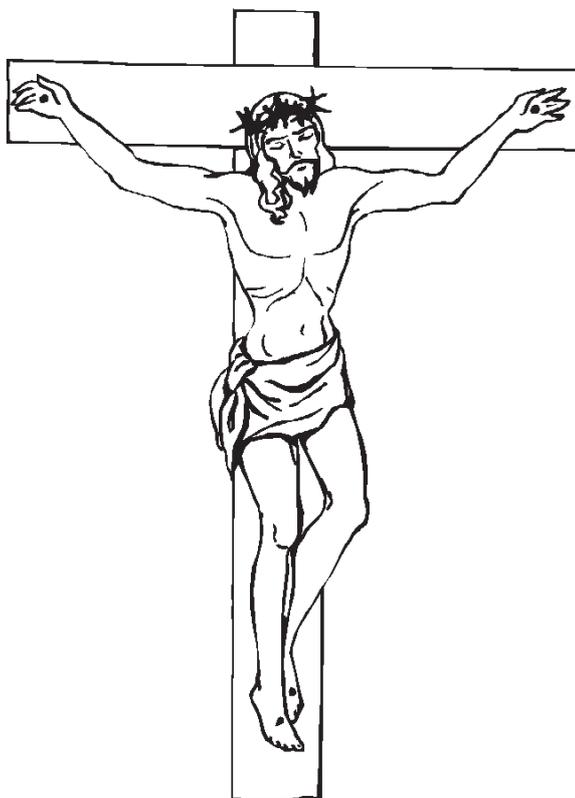

Thank you that you died on the cross to save me.

I believe in you. Please come into my life and be with me every day.

Thank you that you came back to life and are still alive today.

With your help I will live the way you want.

Amen

Jesus the Saviour

It may seem strange but as Jesus was dying on the cross he was saving us from the power of death. If we believe in him we can live for ever - eternal life.

This is why Jesus is called a "Saviour" - because he saves us.

You can say a prayer similar to the one above to ask Jesus to save you.

Ask your helpers about how they came to believe in Jesus.

Try singing the song in your group!

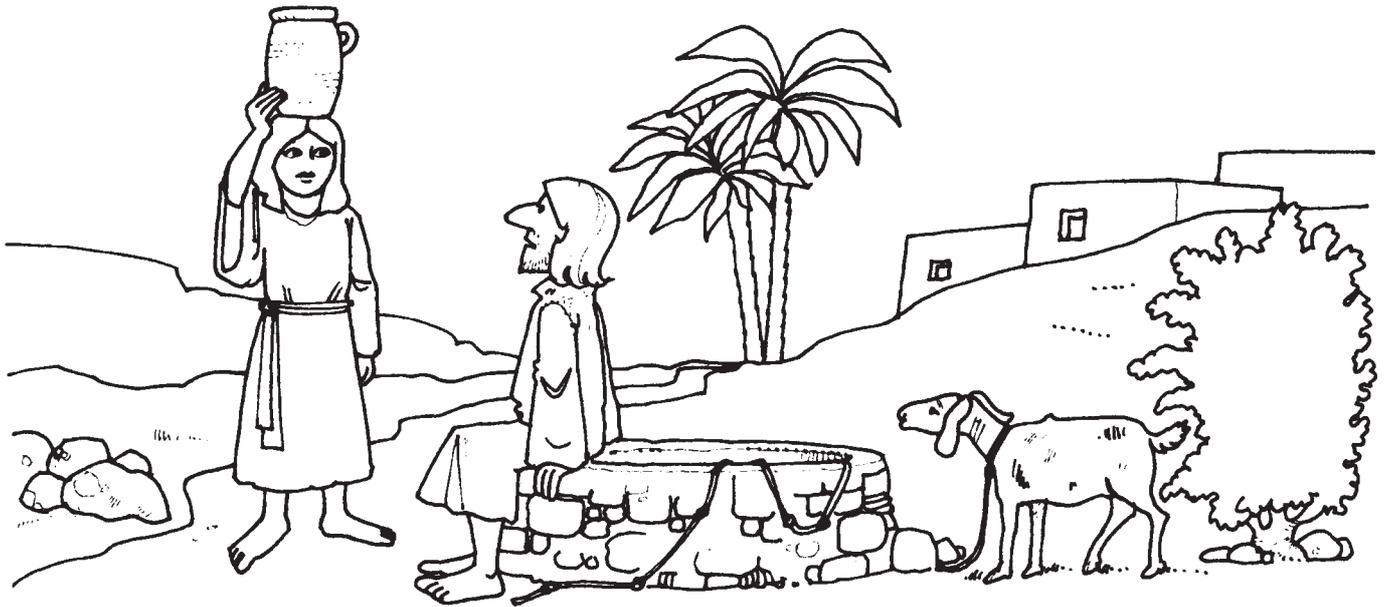

For God so loved the world,
he gave his only son.

And whoever believes in him,
shall not die, but have eternal life.

Jesus to the rescue
"God likes to save people"

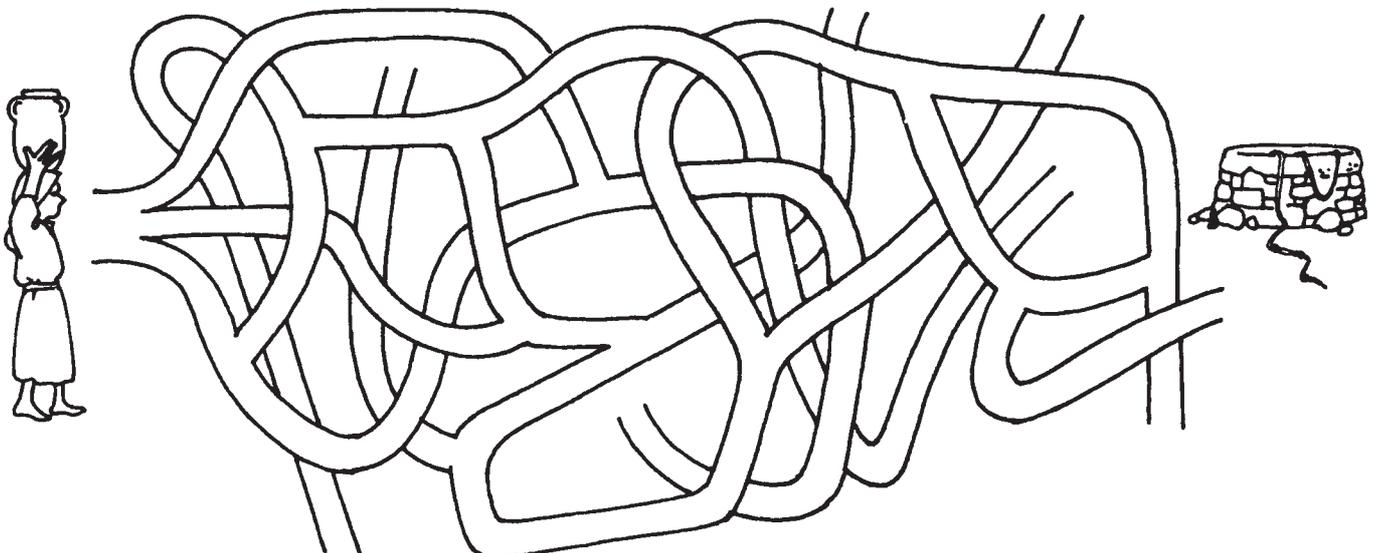

Samaritan Woman

Jesus came to a Samaritan village. He was tired and sat by a well. A Samaritan woman came to draw water, and Jesus said to her, "Please give me a drink." He was alone at the time because his disciples had gone into the village to buy some food. The woman was surprised and said to Jesus, "You are a Jew, and I am a Samaritan woman. Why are you asking me for a drink?" Jesus replied, "If you knew the gift God has for you and who you are speaking to, you would ask me, and I would give you living water." "But sir, you don't have a rope or a bucket," she said, "and this well is very deep. Where would you get this living water? Jesus replied, "Anyone who drinks this water will soon become thirsty again. But those who drink the water I give will never be thirsty again. It becomes a fresh, bubbling spring within them, giving them eternal life." "Please, sir," the woman said, "give me this water!"

Well, Well, Well!

Help the woman find the well

These places are in need of water

WHAT WILL HAPPEN NOW?

Ask your helpers if they have had a dose of living

See John 4:5-15

What does it feel like to be very thirsty?
 Do you know places in the world where people don't have much water?
 Some people walk many miles every day just to get water for their family.
 Would you like to get water from a well each day?
 Be thankful for your water supply!!

On the last day of the festival, Jesus stood and shouted to the crowds, "Anyone who is thirsty may come to me! Anyone who believes in me may come and drink! Rivers of living water will flow from his heart." When he said "living water," he was speaking of the Spirit, who would be given to everyone believing in him.

These places are just as dried up. They need God's living water. Why?

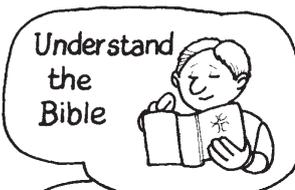

Would you like to have living water from Jesus?
 The Holy Spirit can help you every day to live for God

"Jesus wants to give us living water"
