

I am the good shepherd

This psalm was written by King David. When he was a boy he was a shepherd and looked after a flock of sheep. Think about what it means.

When do you think reading this psalm might be helpful?

Do you believe that God loves you in this way?

Psalm 23

*The Lord is my shepherd
He gives me everything I need
He takes me into lovely green fields
He leads me to quiet pools of water
He makes me feel good
He guides me in good ways*

*Even when life is very difficult and dark
and when I am in the valley of death
I will not be afraid
Lord, you are with me
You protect me with your rod and staff*

*You look after me and give me a meal even
when surrounded by enemies
You pour olive oil on my head
My cup overflows
Everything will go well with me in this life
And I will live with the Lord for ever*

Elijah was afraid and ran for his life. When he came to Beersheba in Judah, he left his servant there, while he himself went a day's journey into the desert. He came to a broom tree, sat down under it and prayed that he might die. "I have had enough, LORD," he said. "Take my life; I am no better than my ancestors." Then he lay down under the tree and fell asleep.

All at once an angel touched him and said, "Get up and eat." He looked around, and there by his head was a cake of bread baked over hot coals, and a jar of water. He ate and drank and then lay down again.

The angel of the LORD came back a second time and touched him and said, "Get up and eat, for the journey is too much for you." So he got up and ate and drank. Strengthened by that food, he traveled forty days and forty nights until he reached Horeb, the mountain of God.

One of the teachers of the law asked Jesus "Which is the most important of all the commandments?"

"The most important" answered Jesus "is this . . . Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. The second it this. Love your neighbour as yourself. There is no commandment greater than these."
